OPEN LETTER

To: VALUABLE CLIENTS

About: COMPANY PROFILE

On behalf of IFA Audit and Consulting Co., Ltd. ("IFA"), we sincerely thank you for allowing us to send you this Company Profile. We believe the information about our company, proposed services, approaches, implementation steps, and expected results in this document will effectively meet your practical requirements.

We understand that choosing a partner to provide business support services, including auditing, accounting, tax, business consulting, and other related services, is a crucial decision for you. It is essential to have a partner with a deep understanding of your business operations who offers services with the utmost professionalism and continuously supports your organization, helping you achieve your goal. Moreover, the partner must have proven experience in their field and the requisite capabilities to meet your specific needs effectively.

We would like to introduce our company - IFA AUDITING CONSULTING CO., LTD, along with our key personnel and service approach, which will assist you in making an informed decision. The mission is as follows: "IFA aims to become a trusted service provider that fully meets the quality requirements while accompanying our customers on the growth path. We strive to offer the best possible solutions with cost-effective resources. Aligned with a team of experienced auditors, staff, and professional partners, we are confident in our ability to deliver you the highest quality of service.

We express our aspiration and desire to be a provider of business support services and other related services for clients. We firmly believe that IFA can be a valuable partner in your journey toward success. Your success is our success, and we are committed to being a reliable and supportive partner in your business endeavors. We hope this company profile has provided the necessary information to assist you in making an informed decision. We look forward to hearing from you.

Wishing you continued success.

Best regards.

1.1. OVERVIEW OF IFA

IFA Auditing Consulting Co., Ltd ("IFA") was established under the Business Registration Certificate No. 0317591640, issued by the Department of Planning and Investment of Ho Chi Minh City. IFA is founded by experts, auditors, and professionals with 20 years of experience providing professional services in auditing, accounting, tax, and operation consulting. We take pride in offering value-added services that help our clients manage risks, enhance business efficiency, optimize operating costs, and especially receive in-depth consultation from a dedicated and reputable team.

IFA has been providing professional services in auditing, accounting, tax, and operation consulting to clients in different fields and industries.

Therefore, we have an in-depth understanding of the unique characteristics of these sectors, the implications behind each of them, and the relevant legislation. These insights enhance the value of the services we offer to our clients. Our professional services follow IFA's policy, professional standards, and the provisions of Vietnamese law. Throughout our service delivery, we are committed to respecting the confidentiality and privacy of our clients and the individuals and partners we collaborate with. IFA guarantees that the quality of our services will always meet or exceed our commitments.

Headquarters of IFA: 2nd Floor, Minh Khang Building, 120A Tran Ke Xuong, Ward 7, Phu Nhuan District, Ho Chi Minh City.

The professional team at IFA, comprising accountants, auditors, engineers, lawyers, and economists, is distinguished by their high level of expertise. This expertise is reflected in their advanced degrees, professional certifications, practical experience, and ongoing updates of in-depth knowledge in each field.

With our existing capabilities, we fully believe in the clients' growth potential so that we can provide a wide range of high-quality services to them. Maintaining and enhancing the quality of our personnel is one of IFA's core objectives. To sustain and strengthen IFA's competitive advantage, we actively encourage and support our employees in improving their skills and competencies.

IFA continually strives to be an effective partner to our clients by delivering high-quality services and efficient solutions with a professional approach. To achieve success, we need to grow and develop by actively in solid competition and offering our services at reasonable prices.

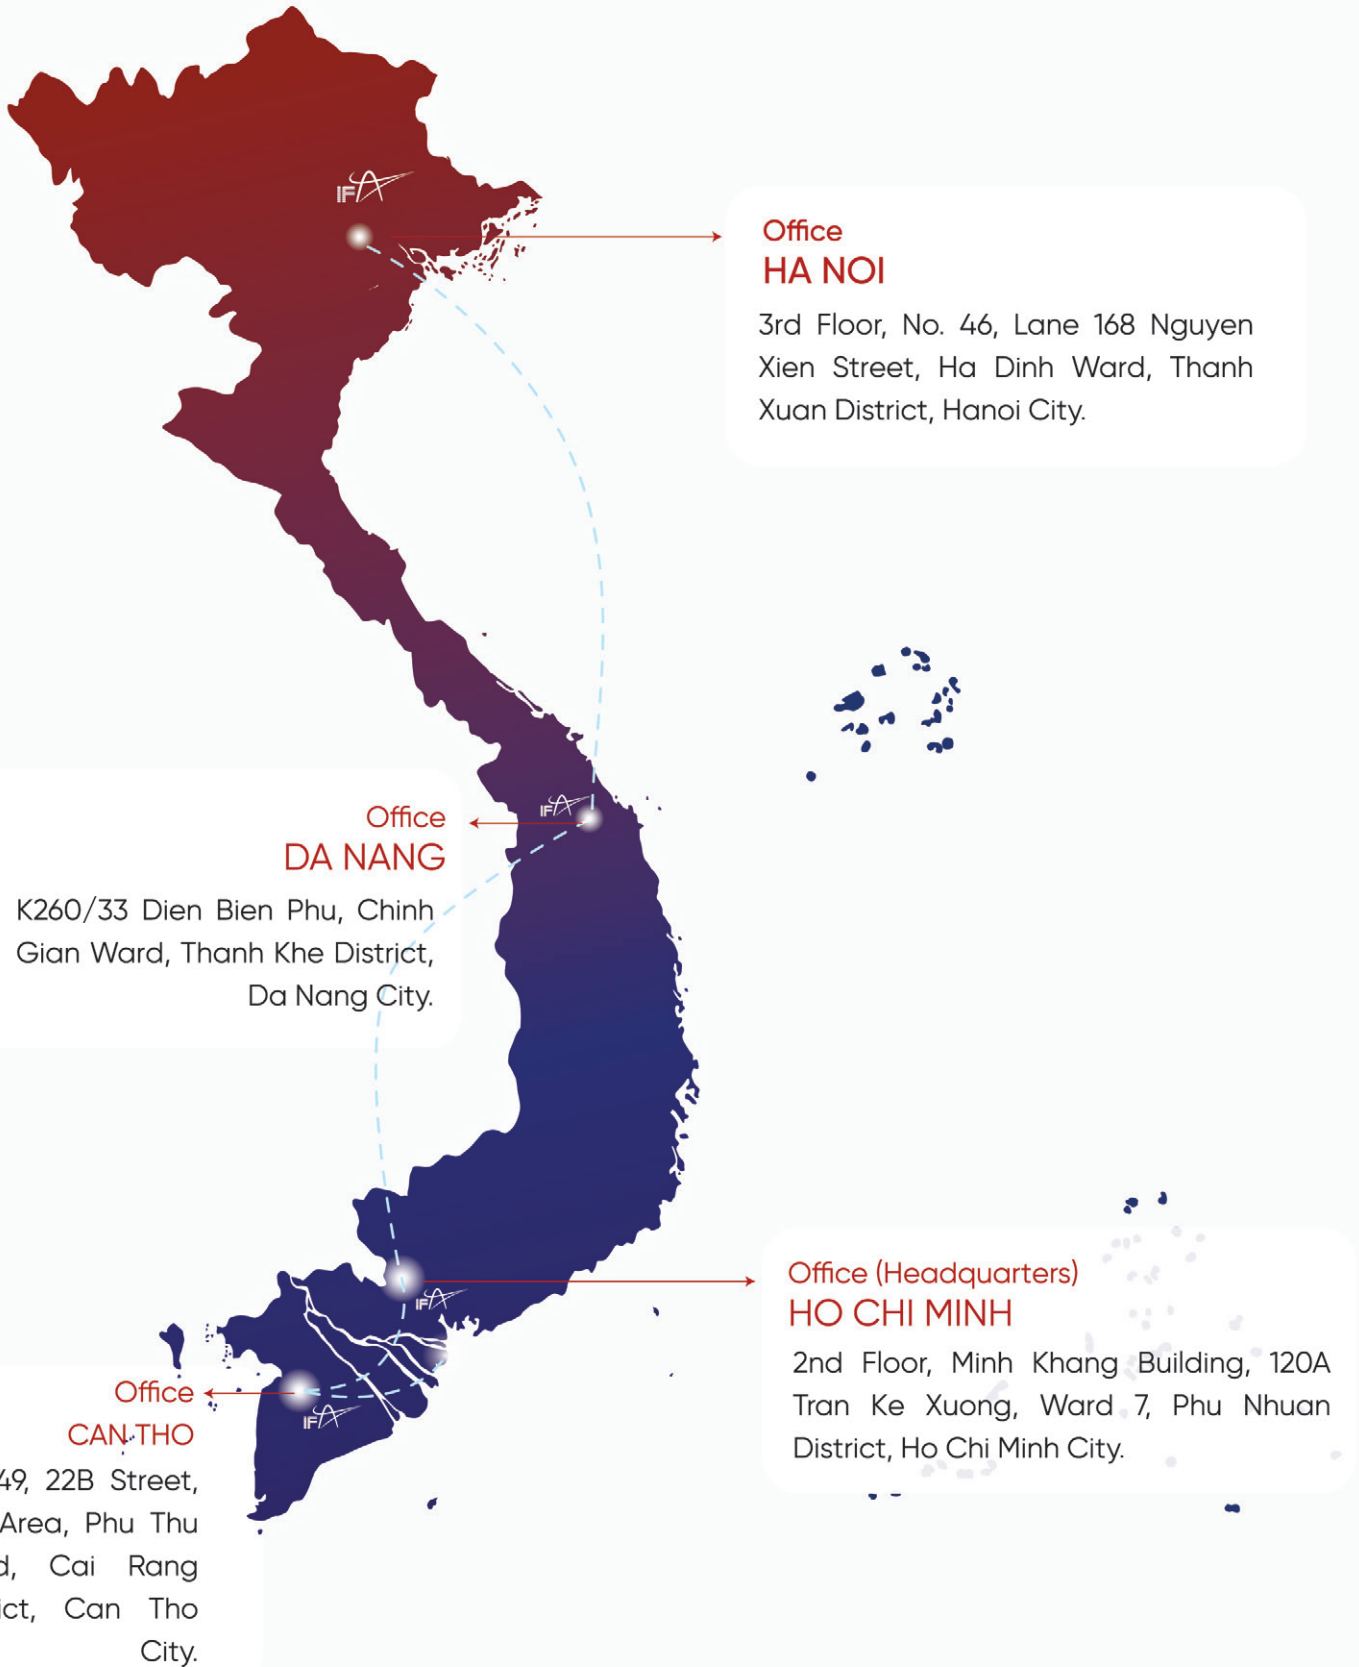

IFA's core values of excellence, teamwork, and leadership skills will drive our success. We look forward to building a long-term partnership and are confident in becoming a reliable partner for our valued clients.

WITH US, ALL THE BETTER

1.2. OPERATIONAL NETWORK

IFA has a long-term action plan to expand our services to all regions nationwide. We will build a service firm with a national reach while deeply engaging at the local level to fulfill our mission of providing customers with a better, more reliable choice backed by appropriate resources. Additionally, we aim to strengthen collaborations with international partners to serve global clients, particularly in Southeast Asia.

1.3. VISION, MISSION AND CORE VALUES

Vision

IFA aims to become a service provider with a comprehensive ecosystem that supports clients, including but not limited to accounting, auditing, tax consulting, and business operations consulting services. We aim to be a significant company in Vietnam's industry while establishing ourselves as a valued partner within international cooperative organizations.

Mission

IFA aspires to be a trusted service provider and fully satisfy quality requirements while accompanying our clients on their development path.

We offer our clients the best possible solutions with appropriately allocated resources and cost-effective options.

Responsibility

IFA always ensures the highest level of responsibility in all our jobs. We are committed to consistently complying with and fulfilling requirements under any circumstances for the jobs received by IFA.

Profession

IFA upholds all professional rules and regulations, demonstrating respect for our clients, colleagues, and partners. Our decisions are made swiftly and accurately, following a thorough and considerate process.

Effort

IFA strives more than its available resources & capabilities to achieve the highest goal. There are no limits to the value of our efforts to deliver quality services at the most reasonable cost.

4.1. MEET CLIENT REQUIREMENTS AND EXPECTATIONS

IFA ensures our clients receive the highest-quality service within appropriate resource allocations. Thoroughly trained experts deliver our services, and they are subject to strict quality control.

Client Requirements and Expectations

IFA's response

1. A productive and highly efficient service?

- ▶ The service we provide to you is not merely "another cost of doing business." Leveraging our understanding of your operations and our experience with other clients, we will help you identify best business practices throughout the service delivery process.
- ▶ Our service delivery process will focus on critical areas with the primary goal of creating a highly efficient and productive process.
- ▶ We will identify and focus our resources on areas judged to be able to deliver services quickly and complete them as fast as possible.
- ▶ We will provide points that need to be improved in your accounting, management, and internal control systems.

2. Timely completion and reporting?

- ▶ A detailed service delivery plan will be discussed and agreed upon with the Client.
- ▶ We will carry out the service provision process as planned, and the Client will promptly be notified of any new problems.

3. Effective communication and discussion

- ▶ Through our monthly newsletters, we keep you informed of current regulations relevant to your operations and industry. The Board of directors will receive official updates on accounting and tax matters throughout the year. These updates will identify potential issues and risks and include discussions on emerging and draft accounting standards being developed by regulatory authorities.
- ▶ We will always notify you about issues affecting your business as quickly as possible and provide relevant and timely information through communication channels.
- ▶ Discuss with Client during the planning phase.
- ▶ Proactively report and engage in discussions with you on any issues that could potentially disrupt subsequent and final service offerings.

- ▶ Concluding meeting with you to discuss and confirm all matters arising from the service delivery process and discuss recommendations for system improvement.
- ▶ The management letter outlining all issues affecting you, as well as our assessment of the accounting system, system of governance, internal control, and issues affecting you, is based on our point of view of business and law.

4. Non-Conflict of interest?

- ▶ We have conducted a conflict of interest assessment and have found no indications of any unusual factors in the relationship between IFA and your employees that could affect the content or quality of our work during the service delivery process. Therefore, our independence and objectivity remain unaffected.

5. Technical expertise and experience of key team members

- ▶ All service providers are appointed who have extensive experience in their respective fields with full expertise.
- ▶ We have been responding in the best way to the requirements of all customers regarding personnel and we are confident that we will continue to do so in the future.

4.2. WHY CHOOSE IFA?

4.2.1. BENEFITS FROM IFA SERVICES

In addition to the above information, IFA is confident that we can meet your requirements because we are committed to consistently striving to:

- ▶ Deliver added value to our clients
- ▶ Stand by your business through its challenges
- ▶ Provide fast, high-quality service
- ▶ Ensure the confidentiality of information
- ▶ Possess a deep understanding of regulatory procedures
- ▶ Uphold integrity, independence, and objectivity
- ▶ Offer a stable team with high professional competence
- ▶ Propose reasonable and competitive fees
- ▶ Support-related professional matters
- ▶ Continuously adapt to provide the best service possible

4.2.2. COMMITMENT

Our commitment to providing the best service is unwavering. We strive to meet the requirements of our Clients, who are at the heart of the development and strategic direction of our service quality.

4.2.3. CONTINUOUS SERVICES

After the completion and termination phase, to the extent appropriate resources are available, we will continue to serve and assist you in matters related to the service provided, even if you do not re-appoint us next time. There is no end to this support as part of our commitment as a Client's companion.

4.2.4. SPECIAL CHARACTERISTICS

- ▶ Professional and fast: Our outstanding experience and sense of responsibility ensure you will quickly get satisfactory results.
- ▶ Tailored service: We always offer the right services to our customers, ensuring that they only pay for the most appropriate and best resource for their service needs.
- ▶ Proactive approach: We observe and anticipate events instead of just waiting for them to happen. We will use our expertise and experience to predict possible problems and risks for clients accompanied by development support.

4.2.5 COMPETITIVE PRICES

- ▶ IFA realizes that businesses' resources are always limited, so we must make more efforts to give our customers good service, beyond expectations but commensurate with acceptable.
- ▶ With the practical experience of our experts and many years of construction knowledge, IFA provides high quality services to customers at competitive prices.

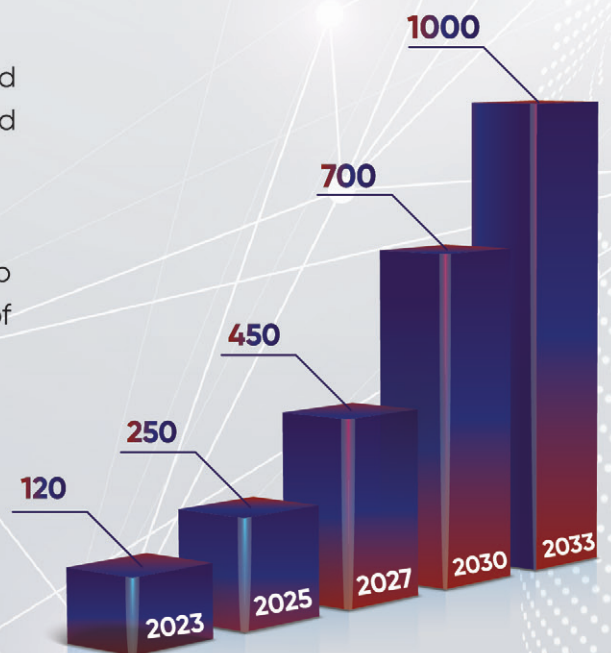

4.3. EXPERIENCE

Our work experience is based on a solid human resource base, which is the synthesis of each employee's work experience through their working process in the service delivery environment at organizations. We are proud that our senior management team possesses 20–30 years of specialized expertise.

An old organization serviced by young and inexperienced staff may not seem as good as a new organization operated and worked by experienced personnel.

We have a clear and well-founded plan to set a roadmap for client development, aligning with IFA's development vision of reaching 1,000 clients in the next ten years.
